I am using free versions of all the apps (that offer paid options) and find them suitable for most users.. On this website, I have covered a ton of paid apps, and that's because in general, paid apps tend to offer more when compared to free apps.. But some of them are entirely new Well, at least they are new to me and that's the beauty of it.. That being said, when it comes to paid apps, I have only included those options that offer a generous free tier.. 11 or later and enjoy it on your Mac Pocket has been named one of the best apps for Mac, iPhone and iPad by the App Store..
