## About This Game

The two popular mobile game Give It Up! and Give It Up! 2 have been added together to form a new title specifically made for the PC. In Give It Up! Plus, you are playing with Blob, cheerfully singing and bouncing through unforgiving stages without stopping. Jump with the rhythm of the music to avoid the spikes, steps and other crazy obstacles.

## Stages

Conquer over 60 challenging stages. Play on any of the classic levels or try out the multi-layered tracks from Give It Up! 2. Choose your own path carefully among the multiple difficulty tiers. Aim higher for the most challenge and discover the hidden areas for extra rewards. Test your skills on the Daily Challenge that changes every day.

## Music

Select the music you want to bounce to from the 18 original songs. Featuring interactive multi-layered soundtrack that

---

transforms dynamically during the game. Including songs from the other four Give It Up! games.

## PC specific features

Experience the needle sharp 4K graphics re-rendered from scratch. Full controller support for those who want to lean back and play. Mouse and customizable keyboard controls. Adjusted UI for the big picture. Options screen!

## Characters

Play with any of the adorable black blob characters. Many of them have unique powers and skills. Collect coins from the Daily Challenge then spin the blob machine to get one. You can even craft your favorite character from blob tokens.

### What is the 'Plus' in Give It Up! Plus:

Hello everyone,

We wanted to make a in-depth list of the various alterations and additional features our team had made so far to improve *Give It Up!* for the PC release.

- Re-made every graphic assets for high resolution displays
- Added a proper options screen, with adjustable resolution, full screen, quality and anti aliasing settings, separate volume sliders, rebind-able keys etc.
- Added full controller support.
- Balanced the in-game economy to become more fair.
- The game can now be paused, and resumed at will (it was impossible in the mobile versions due to audio desync issues).
- Added completely new character select and character creation screen.
- Characters can now be crafted directly from blob tokens.
- Altered the in-game UI to become PC friendly.
- Added every stage from both *Give It Up!* and *Give It Up! 2*.
- Added every playable character from both games, including the previously platform exclusive ones too.
- Added every music from every *Give It Up!* games. This includes music from *Give It Up! Easter Egg*, and from *Give It Up! 3* too.
- Of course, there are no micro-transactions, no advertisements, nothing to impede the smooth gameplay.

The Give It Up! Dev Team from Invictus Games
